## BOOKS FOR TEACHERS

A feast of poems to tempt everyone, including teachers. We have designed this poetry collection in two parts; anthologies as stimulating resources for the teacher (which are also ideal assembly material) and more accessible collections for children to read and share. Our favourites include *All the Colours of the Earth*, a vibrant anthology of poetry that reflects world cultures, and *Walking the Bridge of Your Nose* which includes tongue twisters, mouth manglers and non-stop nonsense as chosen by former Poet Laureate Michael Rosen.
