## DESIGN & TECHNOLOGY

CODE 773J10

### Schemes of work covered include:

- Unit 1A: Moving pictures
- Unit 1B: Vehicles
- Unit 1C: Homes
- Unit 1D: Puppets
- Unit 2A: Toys
- Unit 2B: Puppets
- Unit 2C: Winding up
- Unit 2D: Joseph's coat

10 BOOKS

OUR PRICE  
**£79.00**

SAVE £21 on RRP

Our two collections for Design & Technology have been carefully selected to support the National Curriculum schemes of work, and are designed to help develop children's knowledge and understanding of mechanisms, structures, textiles and food. The collections also help them to develop their design and making skills, and to inform them in their project work. The two collections work well together as a general Design & Technology library pack, or separately to cover specific projects.

# DESIGN & TECHNOLOGY KS2

## DESIGN & TECHNOLOGY

**CODE 639J10**

This collection develops children's understanding of how science supports the development of technology by applying their knowledge to practical projects. This selection approaches the five focuses of design and technology: Structures, Food, Mechanisms, Structures and Textiles with books that explore packaging, food technology, moving toys and electrical objects as well as making practical items with fabrics.

**20 BOOKS**

p43 Electricity &  
Magnetism

p45 Materials

p46 Forces & Motion

### Schemes of work covered include:

- Design & Technology Unit 3A: Packaging  
Focus – Structures
- Design & Technology Unit 3B: Sandwich snacks  
Focus – Food
- Design & Technology Unit 3C: Moving monsters  
Focus – Control: mechanisms
- Design & Technology Unit 3D: Photograph frames  
Focus – Structures
- Design & Technology Unit 4A: Money containers  
Focus – Structures: textiles
- Design & Technology Unit 4B: Storybooks  
Focus – Control: mechanisms
- Design & Technology Unit 4D: Alarms [no Unit 4C]  
Focus – Control: electrical
- Design & Technology Unit 4E: Lighting it up  
Focus – Control: electrical, computer
- Design & Technology Unit 5A: Musical Instruments  
Focus – Structures
- Design & Technology Unit 5B: Bread  
Focus – Food
- Design & Technology Unit 5C: Moving toys  
Focus – Control: mechanisms
- Design & Technology Unit 5D: Biscuits  
Focus – Food
- Design & Technology Unit 6A: Shelters  
Focus – Structures
- Design & Technology Unit 6B: Slippers  
Focus – Structures: textiles
- Design & Technology Unit 6D: Controllable vehicles  
Focus – Control: electrical
