Schemes of work covered include:

- Religious Education Unit 1A: What does it mean to belong?
- Religious Education Unit 1D: Beliefs and practice

10 BOOKS

OUR PRICE
£77.00

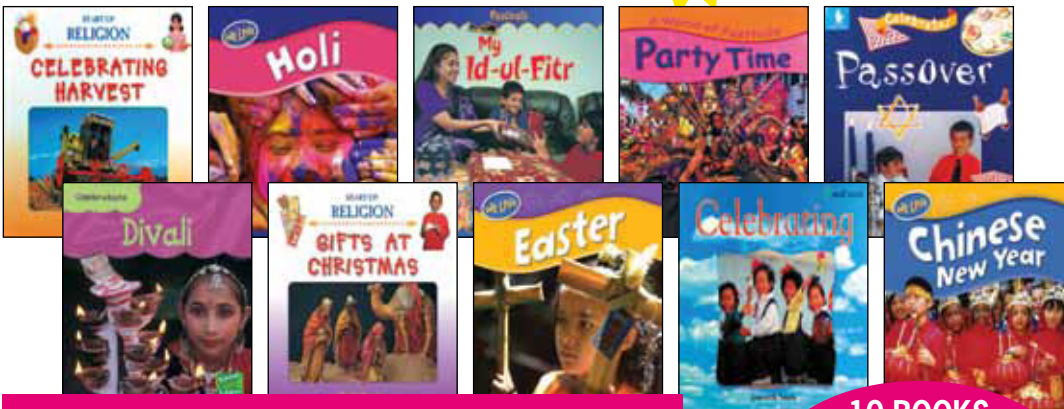

SAVE £15 on RRP

Our new Beliefs and Celebrations collections will help children develop their sense of identity and belonging in their own environment as well as around the world. Areas of focus include the exploration of a variety of beliefs and cultures, hearing stories about children from different cultural and religious traditions, and encouraging respect for them. Celebrations looks particularly at the way different festivals are celebrated around the world, the meanings behind them, and what children can learn about their own lives and communities.

RELIGIOUS EDUCATION KS2

CELEBRATIONS

CODE **649J10**

These collections give children the opportunity to learn about the beliefs of a particular religion through a festival. They will discover the meaning behind festivals celebrated locally and around the world, the ways in which they are celebrated and what they may learn about their own lives and communities.

Schemes of work covered include:

- Geography Unit 24: Passport to the world
- Religious Education Unit 2C: Celebrations
