HILO QUICK READS

For the most satisfying quick read, stories have to be well-written and gripping with lots of cliff-hangers and unexpected twists. Short stories can be more rewarding for reluctant or struggling readers, who will gain confidence and a great sense of achievement from finishing a book.

REAL LIFE READS

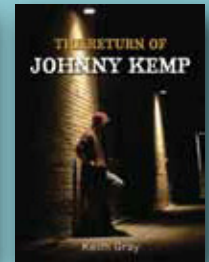

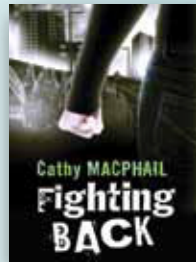

Books can play an important role in informing and helping students, either as a form of escape, or as a way of looking at relevant issues in a different way. Students can often get an insight into their own problems and situations or empathise with those of others.

FANTASY

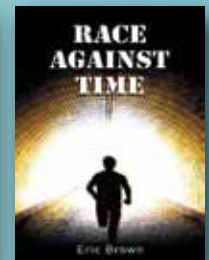

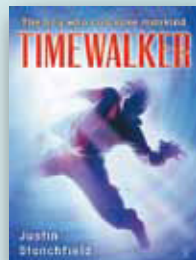

The only limit to a fantasy book is the imagination as everything is possible within the fantasy genre. The reason fantasy is so popular is that it offers escapism into a different realm with different rules.
