REAL LIFE

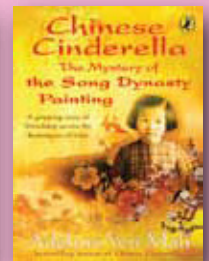

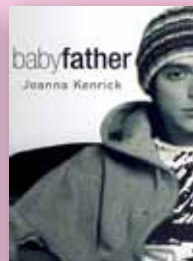

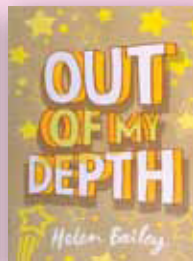

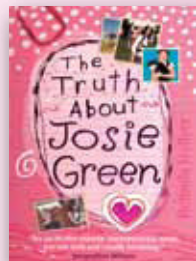

Books can play an important role in informing and helping students, either as a form of escape, or as a way of looking at relevant issues in a different way. Students can often get an insight into their own problems and situations or empathise with those of others.

MYSTERY & ADVENTURE

Individual choices of genre become more significant as readers become more discriminating. Readers develop their critical faculties as they weave their way towards the kind of readers they are growing into.

FANTASY

The only limit to a fantasy book is the imagination as everything is possible within the fantasy genre. The reason fantasy is so popular is that it offers escapism into a different realm with different rules.
